

# Earn the Dell Technologies Unified Workspace 2019 co-skilled badge

Get the most out of your Dell Technologies Unified Workspace solutions with accredited training programs in VMware Workspace One and Dell Technologies Unified Workspace and receive a co-skilled badge that recognizes your expertise.

## VMware Certified Professional Digital Workspace 2019 Certification

Learn about configuration, deployment, management, maintenance and optimization, as well as performing basic troubleshooting of VMware Workspace ONE.

## Dell Technologies Unified Workspace 2019 Training

Learn how to deploy and manage Dell Command Suite and its integration points with VMware Workspace ONE with this Dell Proven Professional training. Also, gain mastery of Dell Technologies ProDeploy in the Unified Workspace.

## 3 steps to accreditation

- 1** Earn your VCP-Digital Workspace 2019 certification:  
[www.vmware.com/go/vcpdw2019badge](http://www.vmware.com/go/vcpdw2019badge)
- 2** Take Unified Workspace 2019 training and pass the test:  
[www.dell.com/unifiedworkspacebadge](http://www.dell.com/unifiedworkspacebadge)
- 3** Upload your credentials and receive your co-skilled badge by email:  
[www.dell.com/uploadyourcredentials](http://www.dell.com/uploadyourcredentials)
