

THE 2017 ISILON “DIVE-IN TO THE DATA LAKE” PROGRAM

TERMS AND CONDITIONS

The terms and conditions of Dell EMC Isilon “Dive-In to the Data Lake” Program (“Program”) are as follows:

Availability: The Program is available to end-user customers (“Customer”) located in a country where Dell EMC sells Isilon nodes.

Offer: Dell EMC will offer Customer one free Dell EMC IsilonSD Edge production license, a free Isilon CloudPools production license and discounted analytics offerings*

Restrictions: Between January 1, 2017 and April 30, 2017, Customer must submit a valid purchase order for an Isilon node and services with a quoted value greater than USD \$50,000.00.

Channel Partners: The Program is also available via participating Dell EMC authorized resellers.

Other Terms: Program is void where prohibited. All times are Eastern US Time. Program is offered by Dell EMC or its applicable affiliates. Details and other limitations not specified will be determined by Dell EMC in its sole discretion. Failure to enforce a term shall not constitute a waiver by Dell EMC. Program is subject to change or cancellation by Dell EMC without notice. Terms and conditions of sale and services are governed by separate agreement with Dell EMC or authorized reseller.

Acceptance of Program Terms: These terms apply to Dell EMC’s Dive-In to the Data Lake Promotion issued or authorized by Dell EMC under the Program. By accepting Dell EMC’s Dive-In to the Data Lake Promotion, Customer and its authorized reseller, if applicable, agree to these terms.

*Contact your Dell EMC Sales Representative and request the Dell EMC Isilon Dive in to the Data Lake promotion for information and details, customers are responsible for all software maintenance associated with this offer.
