The power of four monitors in one large display

DELL 43 ULTRA HD 4K MULTICLIENT MONITOR | P4317Q

Expand your view with this expansive 43" screen in 4K Ultra HD with no bezel breaks.

Manage your view, productively, with side-by-side or quad-screen viewing¹.

Enjoy easy deployment and maintenance with one large monitor versus four per desk.

As the #1 monitor brand worldwide*, we take pride in our unyielding commitment to quality and the utmost satisfaction of our customers.

STUNNINGLY SEAMLESS

MULTI-SYSTEM MANAGEABILITY

SIMPLIFIED PRODUCTIVITY

TRUSTED RELIABILITY
Maximize productivity

**Smooth transitions:** View super-crisp text and graphs on an expansive 43” screen in Ultra HD 4K or Full HD resolution with no bezel breaks.

**Consistent and rich colors:** A wide viewing angle enabled by In-Plane Switching (IPS) technology lets you see vibrant colors — no matter where you sit.

**Work comfortably:** Experience comfortable viewing with a high performance monitor scalar and matte screen.

**Reduce complexity:** Simply connect up to four independent clients to a single monitor to reduce complex multi-monitor mounting and connectivity issues.

**Business-class connectivity:** Unlike traditional TVs, this monitor is built for business, with multiple inputs for key office applications.

**Remote made easy:** Manage IT remote settings with RS232 connection, available in this 43” display.

**Minimize maintenance:** Simplify monitor purchasing, deployment and maintenance with one large versus four independent monitors.

**Clutter free:** Easy cable management for a more clutter-free desk with cables from only one versus four monitors.

**Relocate and adjust:** Optimize desk and relocation costs with a standardized desk set-up that simplifies IT and facilities management.

**More ways to multitask:** Work conveniently across multiple screens and select from predefined templates with the Easy Arrange feature on Dell Display Manager software. Quickly tile and arrange your applications and get back to work faster with Auto-restore, a feature that remembers where you left off.

**Easily optimize your view:** Automode easily configures display settings for a great front of screen experience.

**Manage your display inventory:** Generate an asset management report to tag display ID and settings within your business environment.

**Peace of mind:** Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty period even if only one bright pixel is found.

**Minimize downtime:** Your monitor comes with a 3-year Advanced Exchange Service so that if a replacement becomes necessary, it will be shipped to you the next business day during your 3-year Limited Hardware Warranty.

**Get a higher level of support:** Upgrade to 24x7, in-region technical phone support from qualified engineers with Dell ProSupport option.
